## **AOVET Course Small Animal Fracture Management in Budapest**

Dear President,

AOVET is an independent non-profit organization that represents a global network of surgeons in the field of veterinary surgery of the musculoskeletal system. AOVET's mission is to advance the practice of veterinary surgery to improve patient outcomes. Our educational courses give veterinarians the tools necessary to deliver expert work on injured animals and orthopedic cases in a peer-to-peer interactive learning environment.

It is our pleasure to announce that we are organizing a **Principles Course in Small Animal Fracture Management** in Budapest (NH Hotel) from **29 September to 1 October 2017**. We are proud to have some of our most prestigious faculty presenting the topics and leading the practical sessions including Dr. Bruno Peirone (Italy), Dr. Iklá Jopp (Germany), Dr. Richard Whitelock (UK) and Dr. Svetoslav Hristov (Bulgaria). For a detailed description of the course, please find the attached course flyer.

In order to foster the collaboration between AOVET and your society, we would like to offer a special price to the members of your society. This will entitle them to a 15% reduction of the total course fee with an additional 15% if they register before August 1<sup>st</sup>, 2017 (i.e. up to 30% discount on the total course fee).

We kindly ask you to forward the course information to your members. If required, we are happy to provide you with further marketing or communication materials to promote the course in your network.

Thank you for your support and we look forward to future collaborations.

Kind regards
